

DON BOSCO ANIMATION & RESEARCH KENDRA

DB ARK is an Animation & Professional Training cum Research center with ten members reaching out to youth, educators, youth workers, leaders and management personnel in caring profession carrying out its mission among the youth especially the marginalized.

Animated approach to Learning & Growing

Youth Animation Program caters to youth with programs developed along the "Whole-Person-Paradigm". Our research department has identified the deficiencies in the present day educational system, and has developed different modules that ensure 'God-loving' and 'honest citizens'.

PYYAR is an innovative movement initiated by DB ARK with the objective 'to create a New Society where we love and care for each other eliminating discriminations of all kinds.' This movement challenges the youth to reach out to one another and build up a new Society.
