

Fighting COVID 19

Emergency Relief Distribution
in Budhella and Wazirabad

Considering the gravity of the current situation because of Coronavirus, Ration distribution was organised at Wazirabad and Budhella in the month of May 2020 with the support of Jesuit Refugee Service. 11 families from Sudanese and Somalis, 79 families from Afghan community and 24 families from Rohingya community benefited from distribution. The distribution was organized in accordance with the social distancing and government protocols and we have taken the support of the community representatives and volunteers who received the training on safety measures.

Wazirabad

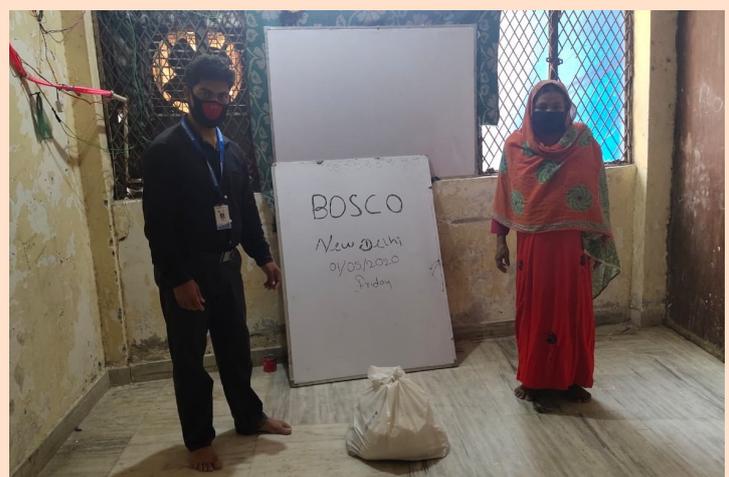

“I have eight members in my family. During this Ramadan time, I was not able to give proper meals to my children. I have received two kits of ration from JRS. Now my wife and I are relaxed and safe at home, before I used to run around for free food and ration. Thank you JRS for extending your kind help in this lockdown period. I also would like to thank BOSCO for arranging and coordinating this help for us the Afghan community in Wazirabad.

- **Abdul Ahad (Afghan refugee, Wazirabad)**

I am a single mother with my children living in Wazirabad. I cook food and sell outside, but in this lockdown period, I was not able to go for work and all my income was stopped. JRS you helped us in my difficult situation through your generous ration support. I have received 20kg rice, 3kg dal, 2Ltr oil, and 1kg sugar.

- **Shukri Adan (Somali Refugee, Wazirabad)**

Budhella

Dear JRS, we Rohingya Christians are so thankful to you for the relief, since now the whole country is on curfew and facing difficulties, our children are so happy after receiving your ration support and they can eat stomach full rice. Once again we are so thankful for standing with us while we cannot stand ourselves, and thank you BOSCO for helping us always whenever we need. - **Shona Mia (Community Leader, Rohingya Christian community Budhella)**
