

**BOSCO HEALTH INITIATIVES
AGAINST COVID-19
HEALTH TEAM
MALVIYA NAGAR**

Irrespective of the lockdown as health remains vital to the refugee community. Health team Malviya Nagar continued its efforts to reach out and provide support regardless of the challenges and assisted PoCs with the following services:

Ration Distribution

SA Cheque Distribution

Sanitary Napkin Distribution

Landlord interventions

Assisted funeral arrangements

Hospital assistance

Arranged ambulance for health emergencies

Made awareness videos

Health awareness session

Sessions on Reproductive and family planning

Counselling PoCs

Follow-up and counselling COVID-19 cases

Assisted women group activities

Assisted youth club activities

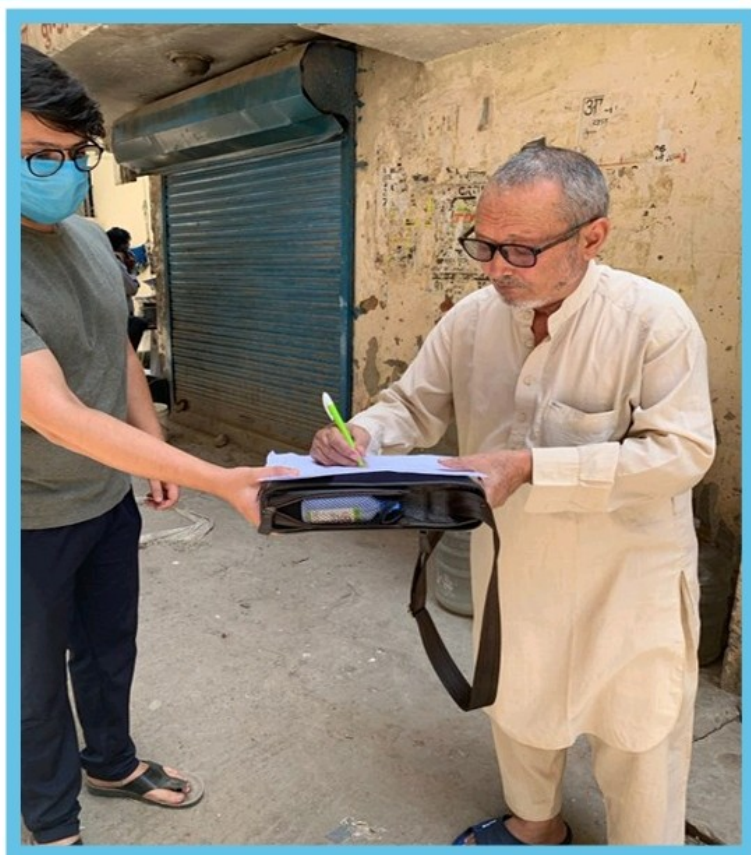

Translated and dissemination of vital information

MCSPs working in the frontline during Ration Distribution

105 SA Cheques were Distributed

334 PoCs Received Sanitary Napkins

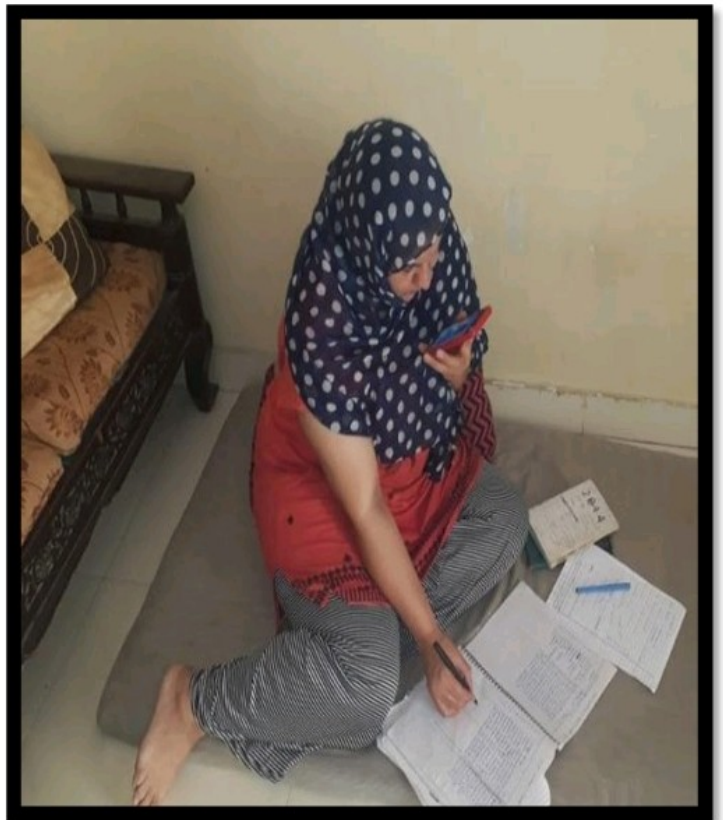

Additionally, 133 PoCs were assisted for hospital visits and counselled on COVID-19.

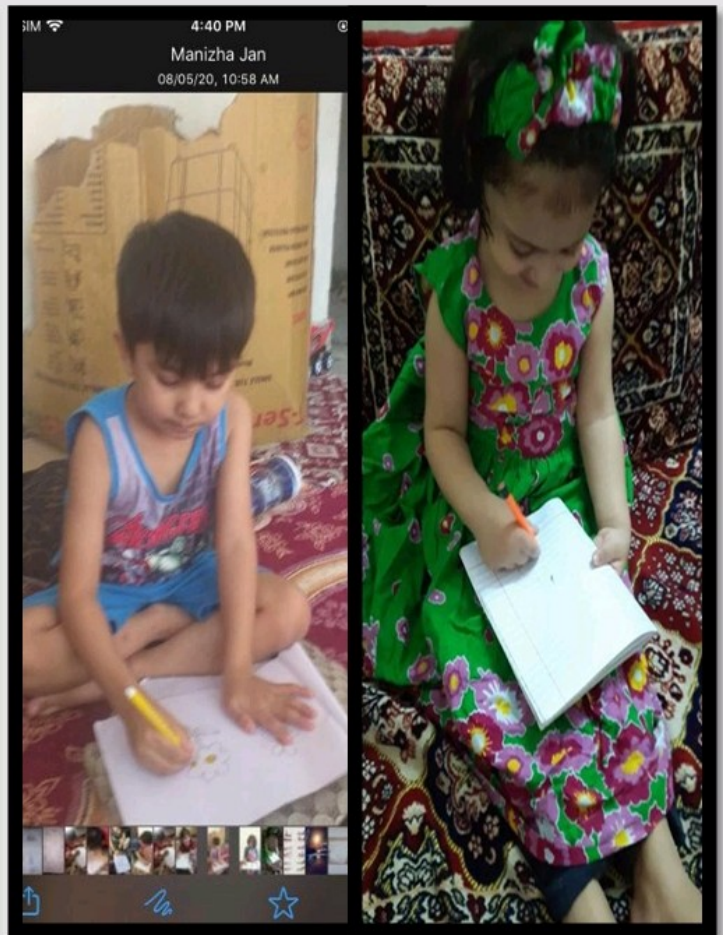

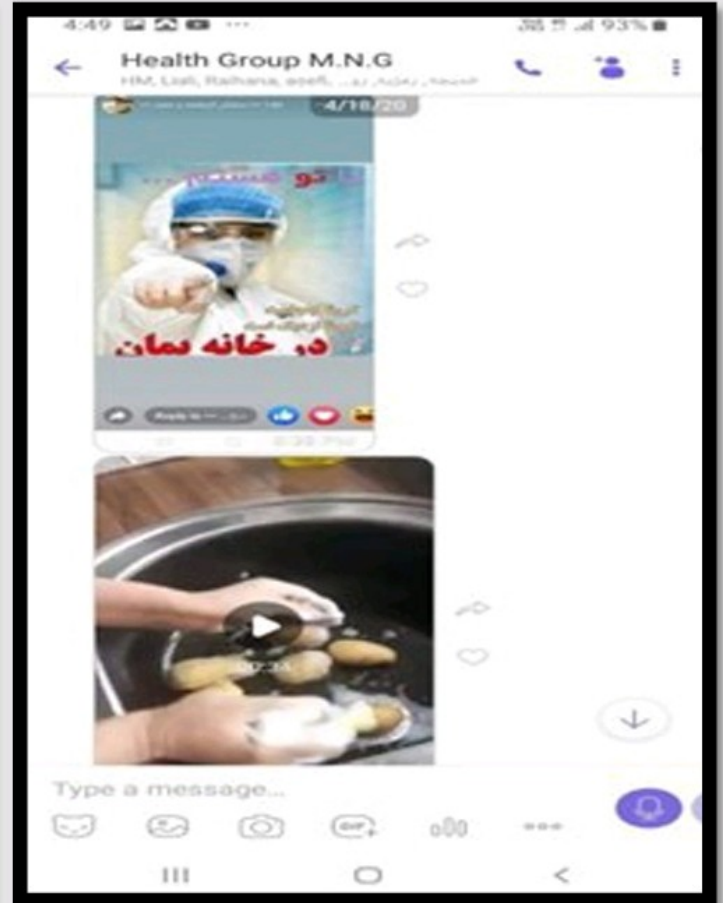

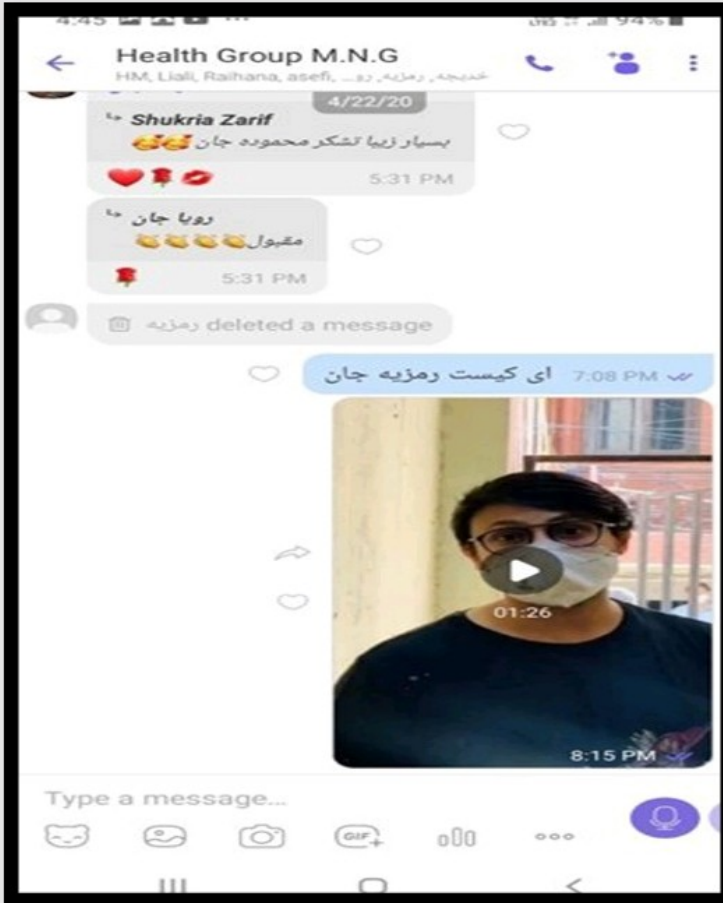

MCSPs Assisted Women Group Activities

Glimpses Of Activities

Working from home has its challenges but we as a team worked together and gave our best to reach out to the beneficiaries, specially the ones who thought they are all alone during the pandemic.

Working from home has its challenges but we as a team worked together and gave our best to reach out to the beneficiaries, specially the ones who thought they are all alone during the pandemic.

Take care of yourselves and #stay home stay safe.

THANK YOU
