

# #ISupport to fight against Covid19 Campaign

**GOOD DAYS AHEAD**

#Isupport to fight against covid-19

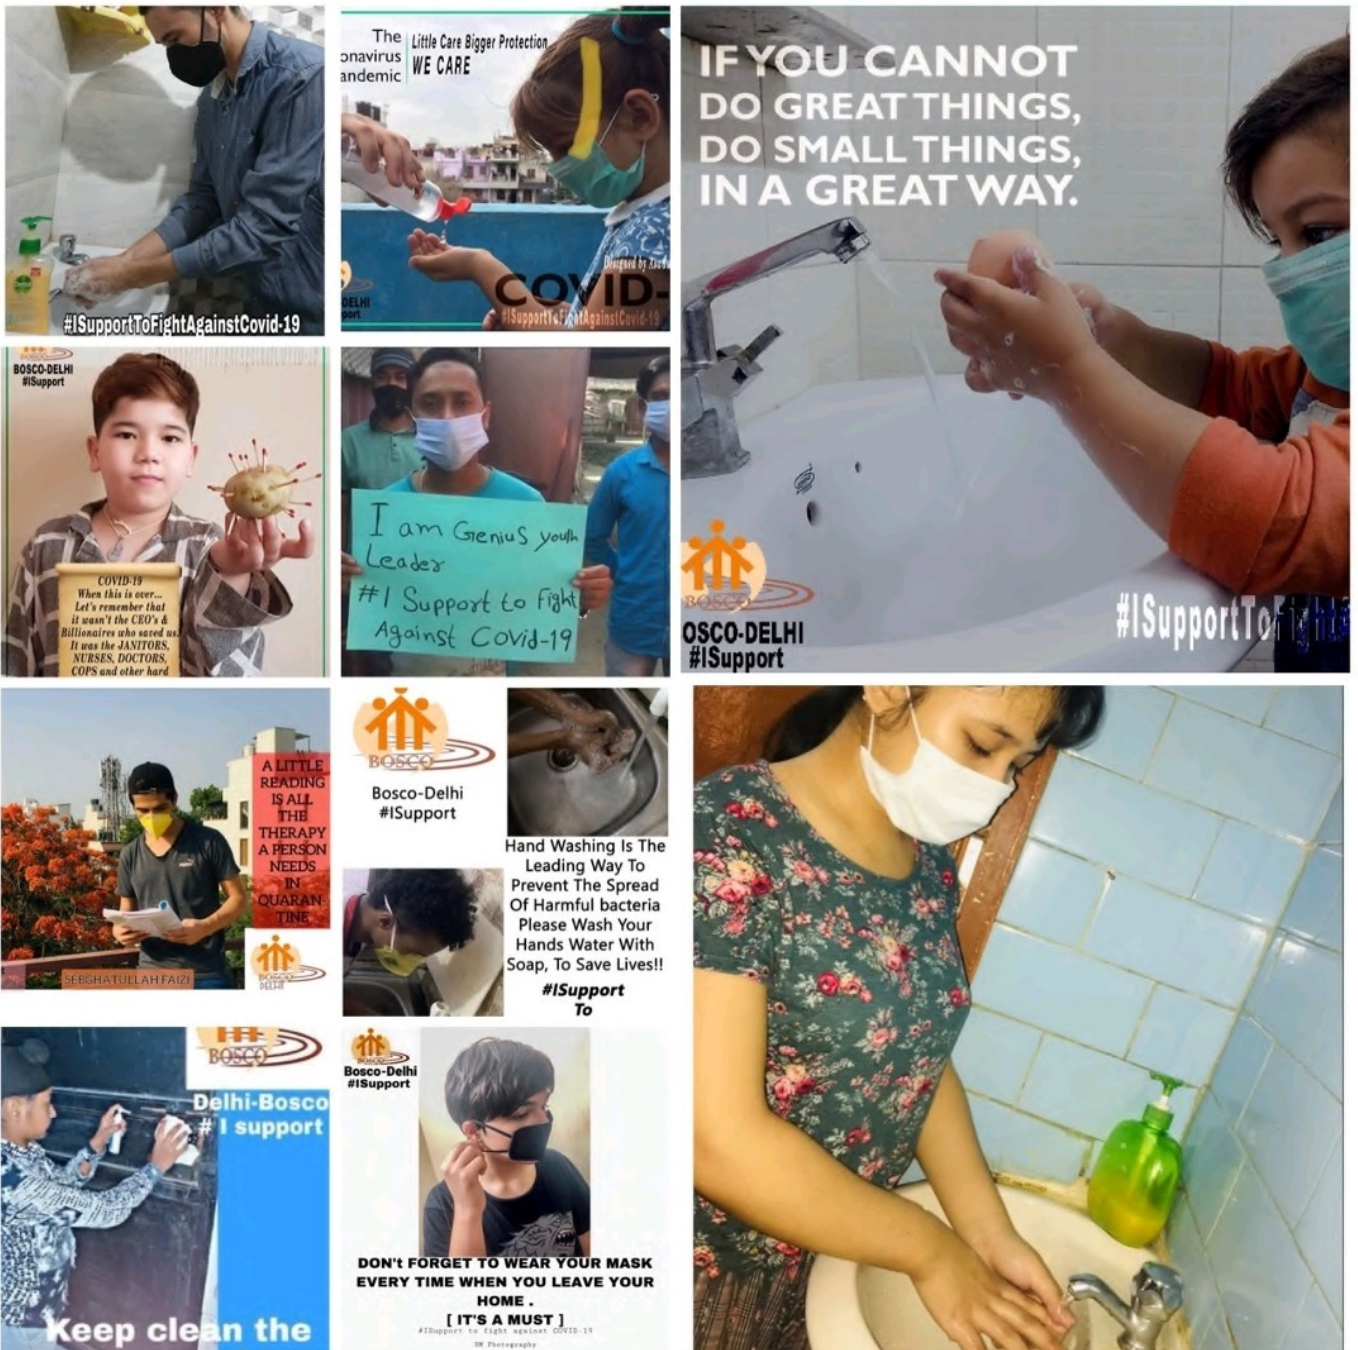

Covid-19 has put a fear among us and impacted everyday lives in many ways. Greatest cities are deserted as people stay indoor, either by choice or by government order. The normal life around us is affected adversely and it has clouded us with fear and anxiety. During this pandemic, people are taking precautions to protect themselves, their families and their communities from this corona virus and in all this situation we should not forget to create a friendly and loving environment around us.

BOSCO youth club, have jointly come together to support and encourage each other to fight against this crisis. The best way to prevent and slow down transmission is to be well informed about the Covid-19 virus. Youth club used various means and method to reach out to different age group of refugee community to spread awareness on precautionary measures such as frequent hand washing for 20 second, sensitizing of frequent touched objects, wearing of mask, social distancing etc.

Amidst the Covid-19 pandemic, youth club tirelessly contribute in helping particular BOSCO centre during the ration distribution. As a support towards this #ISupport youth club never stopped educating their family members and community to stay safe, stay aware, stay healthy and to take care of each other.
