Distribution of Dry Ration - COVID 19 Relief Programme

As the crisis around the COVID-19 pandemic grows, the livelihoods of a large number of families surviving on daily wages have been shaken up. Jugend Eine Welt provided 300 ration kits to support refugee and migrant families who live in Vikaspuri, Malviyanagar, and Bhogal in Delhi and to help them have a reliable supply of meals in the absence of employment opportunities.

The kit contains: 10kg rice, 1Ltr cooking oil, 2kg dal, 1kg salt, 500gm washing powder, 500gm tea powder, 1kg sugar, 200ml hand sanitizer

In the light of COVID – 19, declared pandemic by WHO led to the immediate lockdown in country. Delhi, a capital of India shares the substantial population of migrants and refugees in it. Preventive mechanism in the form of complete lockdown has created a concern of bread butter on daily wage labours and refugees. With the support of community volunteers, stakeholders and local networks, BOSCO Delhi identified Vikaspuri, Malviyanagar, and Bhogal areas to respond with ration kits to refugee and migrant families. Ration kits distribution was collaborative initiative of BOSCO- Delhi and Jugend Eine Welt.

The main target groups are:

- Migrants, and international refugees.

Total 300 kits were distributed to the vulnerable families. Many young people came forward as volunteers for distribution of kits. They were given appropriate protection gears. Information about each individual beneficiary, as directed by the sponsors, were also recorded for documentation and reporting purposes.

Thank You JUGEND EINE WELT
You have fed 1100 poor people
during the COVID 19 pandemic
